1. First you want to make your background blue (#0000ff)
2. Second you make the bottom of the snowman 2 ½ inches long vertically and 3 ¼ inches wide(circle)
3. Make the middle one 1 7/8 inches long vertically and 2 inches wide (circle)
4. And for the last ball 1 3/16 inches wide and 1/8 tall (circle)
5. Make the line and fill color (ffffff)
6. Make the snowman at the left side of the room
7. Make a jalapeno as the nose and make it the color orange (#ff6600)
8. Stack the balls from largest to smallest bottom to top the largest ball (on bottom) overlaps the middle ball by about ½ a centimeter. And the medium over the smallest ball by about ¼ of a centimeter.
9. Put a smiley face on the snowman's face enlarge it to make it 3 centimeters tall and 2 ¾ centimeters wide. (black with stamps)
10. Make the straight line on the shapes to make his right and left arm and make **his** right arm 4 ½ cm long, put it facing down so it looks kind of like this /.(brown)
11. Then make **his** left arm about 2 ½ inches long and make it so it is barely facing down
12. Then make five balls of coal and put them in the middle of the snowman going down make about a centimeter wide each it.(black)
13. Then make a plane and enlarge it to make the wing span 7 cm and tip to back 14cm and make it so the tip faces to the floor.(stamps)
14. And last put glasses on his face. (go to stamps)
